Department of the Interior

OTTAWA.

Sir,-

Sec. Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and proved this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or fuel, the second taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

OTTAWA, October 27, 1928.

Sir,-

N. E. ¼ of Sec. 2 Tp. 55 Rge. 9 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Madam,

re S.W.¼-17-55-6-W.5th M.

I am to acknowledge your letter of the 26th March last, also your declaration of the same date which has been transmitted here by the Agent of Dominion Lands at Edmonton, with reference to desertion and your desire to homestead the quarter-section above mentioned instead of assuming the sale at $3.00 an acre.

I am to inform you in reply that as you are not eligible for homestead entry it has been decided to give you an opportunity of purchasing the land on the same terms that George Leskow was permitted to acquire it, namely, $3.00 per acre. The payment of $100.00 will be transferred to your credit on receipt of advice that you are prepared to assume the obligation. A period of thirty days from this date will be granted you within which to state your intentions, but kindly note that if you decide not to purchase, it will be necessary for you to give up possession of the land.
